

US Army Corps
of Engineers
Buffalo District

General Notes

The information depicted on the map represents the results of surveys made on the date indicated and can only be considered as indicating the general condition of that line. Unless otherwise noted on this map, all depths and soundings are in feet and are referred to the International Great Lakes Datum 1985 (IGLD 1985) and all horizontal positions are referred to North American Datum 1983 (NAD83). See the title block for more information.

Special Notes are provided for appropriate datum, to view a color version of this map, point a web browser to <http://www.itrb.usace.army.mil/awc/survey/survey.html>.

This charting was prepared using a CAD system. Spelling may be distorted.
